Dear Mr. Lundahl:

I wish to thank you for the outstanding briefings presented during my visit to your center.

Your orientation greatly assisted me in placing your programs in proper perspective and the review of your past accomplishments was most interesting.

I hope that in the near future it will be possible for you to conduct a similar orientation for my Deputy, [redacted] and several more members of my staff.

Sincerely,

Lieutenant General, GS  
Chief of Research and Development
